

EAGLE

WELDING FIRE BLANKET

WB SERIES

WELDING BLANKET ROLLS & TARPS

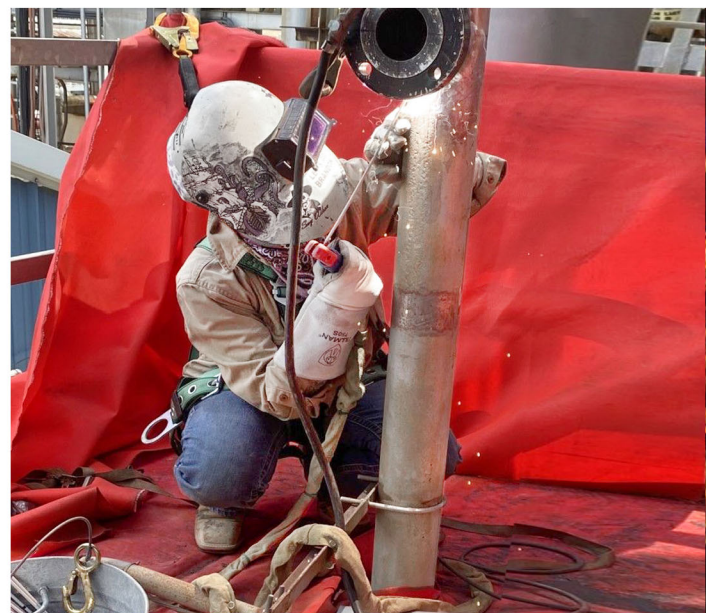

- Fabric weight oz./sq yard:
13 oz. 14 oz. 15 oz. 16 oz. 17 oz. 18 oz. 24 oz. 32 oz.
- Custom fabricated tarps available
- Temperature rating 1,000 °F (550 °C)
- Engineered high performance fabrics
- Used for welding & hot works applications
- Composed of non-organic material & will not produce hazardous out-gassing

APPLICATIONS & BENEFITS

- High performance engineered fabrics
- High temperature, flame retardant cloths
- Protects sparks, spatter, & weld slag
- Used for welding & grinding
- Used for hot works cutting
- Used in industrial plants, refineries, shipyards, fabrication yards, & manufacturing facilities
