

EAGLE

BURLAP CURING BLANKET

BUR SERIES

PREMIUM WEAVE NATURAL JUTE FABRIC

- Burlap fabric made from jute hessian cloth
- Premium weave for strength & durability
- 7 oz. & 10 oz. weight
- 40", 60", 72" roll size
- Reinforced edge reduces fraying
- Rolled tight on paper core, stacked on pallets
- Meets AASHTO M182 Class II and III

APPLICATIONS & BENEFITS

- Wet concrete curing for construction sites
- Used to cure concrete on roads, highways, bridges, decks, barriers, sidewalks, & vertical formwork
- Easy to unroll, easy to cut
- Fabric is absorbent and holds in moisture
- Biodegradable, more eco-friendly than plastic solutions
- Burlap is made from natural jute fibers, contains no synthetic fibers
